MADE FOR ALL SKIN TYPES —

**Botanically Powered, Naturally perfect, Backed by Science**

Cranberry seed oil is a unique moisturizer with powerful anti-aging benefits, due to its balanced Omega 3, 6, and 9 profile, allowing it to penetrate the skin and lock deeply into your skin tissue. This oil is loaded with antioxidants like Vitamin E, which helps build cells and repairs.

This luscious oil is the answer to skin needing to be soothed and moisturized, and it is beneficial for acne and other skin conditions. The phytonutrients encourage new collagen production, prevent the appearance of age spots, and boost the skin's elasticity.

**Hydrates and Improves Elasticity**

Omega 3, 6, & 9 help to restore skin's natural moisture.

**Reverse Sun Damage**
